MISSION

Through sport, fitness, outdoor adventure, experiential leadership development and instructional programs, Recreational Sports inspires and empowers the VCU community to commit to a lifetime of wellness.

OUR VALUES

**Inclusion:** We value and support individual and cultural identities.

**Balance:** We recognize the importance of balance in all aspects of life.

**Service:** We strive for excellence in our delivery of services.

**Learning:** We promote lifelong learning and personal development.

**Sustainability:** We are committed to growing a more sustainable future.

**Community:** We foster collaborative efforts to achieve a shared common vision.

**Fun:** We provide services that support and enrich lives through play.

LETTER FROM THE DIRECTOR

Happy New Year from VCU Recreational Sports!

We are excited to start 2018 with the second edition of our Rec Sports Guide. Our resolution this year is to keep you moving whether that be through intramural sports, swim lessons, informal recreation, or one of our many other offerings featured in this guide.

We look forward to supporting you in the achievement of personal goals. Let’s make 2018 your year!

Be Well,

Derek Hottell, Ph.D.

Compete against fellow VCU students, faculty and staff in our intramural leagues and tournaments. Leagues run for a number of weeks during a semester, and include a playoff bracket. Women’s, men’s and open leagues are available for all sports. Intramural tournaments are events that last one to two days and do not require a season-long time commitment. No experience is necessary to play in any league or tournament, and there is no charge to play. For more information on registering for Intramural Sports, visit our website.

### HOW TO REGISTER

You can register for intramural sport leagues and tournaments through the MyRecSports portal. Team sports will require a captain to register the team prior to the posted deadline. Team members will need to register individually with that team, or be invited to join by the captain, to be eligible to play.

NEW! TEAMBUILDING & CHALLENGE COURSE
recsports.vcu.edu/programs/outdoor-adventure-program/teambuilding-and-challenge-course/

VCU Rec Sports’ Outdoor Adventure Program new Teambuilding and Challenge Course program is committed to helping your team achieve its greatest potential. We are pleased to be partnering with University of Richmond’s Department of Recreation and Wellness to bring high-quality teambuilding experiences to our campuses and the Richmond community.

Whether you have a class of students who are about to begin working on a challenging project together, your department is struggling to communicate efficiently, or you are wanting to build stronger leaders within your community, our trained staff is available to help you increase trust, communication and work toward a common goal.

Trained student leaders from Virginia Commonwealth University and the University of Richmond facilitate the programs. We focus on developing a customizable program that will serve the needs of your group. Visit our website for more information on all programs, fees and registration.

Portable Teambuilding Programs
Programs can occur wherever the client would like. Some options include the Cary Street Gym, a local park, classroom, or wherever the client and OAP staff agree is a good environment for the program.

Meet and Greet (1 Hour)
Teambuilding Program (2-3 Hours)
Trust Program (2 Hours)

Challenge Course Based Programs
Held at the University of Richmond.

Intro Synergy Program (4 Hours)
Full Synergy Program (6 Hours)
Night Climb Teambuilding (2-4 Hours)

Adventure Hybrid Programs (8 Hours)
Hybrid programs give your group the opportunity to participate in one of our local adventure trips plus a teambuilding experience at the challenge course. Current Hybrid Program offerings include:

Mountain Ram Program (8 Hours)
River Ram Program (8 Hours)

Custom Teambuilding Programs
We know that not every group is the same. Therefore we offer custom teambuilding programs to best suit your group’s structure and needs. Feel free to contact us to develop your custom program. Email Sam Albert, scalbert@vcu.edu, or call 804.828.8473
OPEN RECREATION

recsports.vcu.edu/facilities

VCU students and Rec Sports members can enjoy a wide variety of activities on a drop-in basis at no extra charge.

DRESS CODE
In order to provide a safe environment for patrons and to keep equipment clean, we require clothing with sufficient coverage as well as appropriate athletic footwear.

EQUIPMENT CHECKOUT
Students and members can check out a variety of indoor and outdoor equipment for free day-use with a VCU Card. A full list of equipment that can be checked out is available on our website.

FACILITY RESERVATIONS
Our spaces are available to be reserved by registered student organizations and Division of Student Affairs’ departments for free. For an additional fee, other University Departments and Non-University organizations can reserve space. We require requests for space to be submitted at least 14 days in advance and 45 days for youth programs.

SPACE SCHEDULES
Our courts, Multi-Activity Court (MAC) and Cary Street Field are scheduled for specific informal recreation activities throughout the week. You can find our schedules posted outside of these spaces and on our website.
WELLNESS IN MOTION

Wellness in Motion provides educational opportunities such as workshops, lectures, classes and resources that empower the community to make healthy choices regarding nutrition, exercise, mindfulness and stress relief. We offer a menu of programs for VCU student organizations, departments, and the local community. Our customized programs include an educational component and interactive activity. Our Wellness staff can provide your group with a workshop on any related topic.

Topics include:
- Move into Fitness
- Active & Healthy You
- Deskercise
- Chair Yoga
- Mindful Workouts
- Recreational Sports: What We Offer
- Benefits of Massage

All Wellness in Motion programs are customized to each individual group’s needs. If you have a special idea, program or competition for your group beyond our current offerings, please contact us.

Fees are based on a presentation of up to one hour with one presenter. The presentation can be shorter, but there is a one-hour minimum fee. For full information on our Wellness in Motion programs, fees and request process, please visit our website.

8 DIMENSIONS OF WELLNESS

We define wellness as a way of living holistically, making daily choices that energize your body, mind and spirit. There are eight Dimensions of Wellness that directly correlate with one another to contribute to healthy living. On our website, you will find links to campus and community dimensions of wellness resources to assist you in creating your own wellness plan.

…”We aren’t always able to carve out time in our days to focus on our wellbeing. It is helpful to have a program on campus that guides us through ways we can take care of our most valuable resource - ourselves.” -- VCU staff member
MASSAGE SERVICES

We provide a variety of massages based on our therapists’ specialties. We offer table massages at both the Cary Street Gym and MCV Campus Recreation Center. We also offer mobile chair massage services for VCU student organizations and departments. Fees and reservation information can be found on our website.

Benefits of massage include:
• Relieves muscular pain and tension
• Reduces fatigue
• Lowers anxiety
• Helps prevent repetitive strain injury
• Boosts immunity
• Improves problem-solving and creative thinking

Table Massage
Table Massage is an excellent tool for relaxation, relieving stress and muscle tension, or assisting in rehabilitating an injury. If you are uncertain which treatment will benefit you, discuss your needs with your therapist when you arrive for your appointment. Whether you’re looking to relieve stress after a long week of studying or prevent injuries after an intense workout, we have a massage for you. Currently available massages: Relaxation and Deep Tissue.

Mobile Chair Massage
Chair Massage is a convenient, quick and inexpensive way to enjoy the benefits of massage. By using a combination of acupressure points, sports, and other massage techniques, this massage treats the most common areas of tension and stress. Mobile chair massage helps reduce issues related to chronic pain patterns associated with sitting for long periods of time at a desk, repetitive muscular actions and poor posture.

Typically chair massages are 5-10 minutes per person, and are done over clothes. The participant will sit in a massage chair with a forward-facing headrest.

Fees are based on a one-hour reservation with one therapist visiting your organization. You can schedule extra time in 30-minute increments. Additional fees may be charged for extra massage therapists, off-campus locations or longer sessions.

“My first appointment (at Rec Sports) was the best massage I have ever received in my life...the therapist was so patient and knowledgeable about her job...She was able to explain the physical and emotional benefits of the massage and the benefits to my health. I am very pleased and cannot wait to participate in the massage program again.”
JOIN OUR TEAM

recsports.vcu.edu/join-our-team

Rec Sports is one of the largest employers of students at VCU. We offer flexible scheduling, the convenience of working on campus, valuable work experiences and the opportunity for advancement.

Our student staff is an important component in helping us achieve our mission. We hire students who are enthusiastic, friendly, honest, reliable and customer service oriented.

Although we hire for certain positions throughout the year, most of our positions open up in the spring. Apply today on Hire VCU Rams. Rec Sports is a Federal Work Study employer.
STAFF SPOTLIGHT

TOMMY OTTERBINE 2017 Recipient of The VCU Burnside Watstein Award
Assistant Director for Structured Sports & Outreach Programming

Tommy Otterbine has been working in collegiate recreation for 12 years. His role at Rec Sports has involved coordinating and executing more inclusive and adaptive programming.

He has taken part in planning inclusive events such as the Fast & Fierce Field Day benefitting VA Pride, and the Unified Sports league with Special Olympics. He works closely with VCU organizations like OMSA, the Office of Multicultural Student Affairs, and SAEO, Student Accessibility and Educational Opportunity, to start initiatives that will foster inclusive and welcoming atmospheres.

Otterbine recently received the Burnside Watstein Award, an award that recognizes and honors the contributions of lesbian, gay, bisexual, transgender, queer, intersex, asexual people and allies at VCU. Recently, Otterbine founded Stonewall Sports - Richmond, a year-round LGBTQIA+ adult sport and recreation league open to the Richmond community.

When describing the importance of inclusive recreation and outreach, Otterbine said, “Whether we’re talking about inclusive rec or adaptive rec, we’re trying to do more to identify what’s missing for students in recreation. We want to think more about who we aren’t reaching and why we aren’t reaching them.”

JOEY PARENT 2017 Recipient of The Ralph White River Hero Award
Assistant Director for Outdoor Adventure Program

The VCU Rec Sports Outdoor Adventure Program (OAP) has been making its mark on the Richmond outdoor community since 1982. In 2011, Joey Parent became the Assistant Director of the OAP, or, as he likes to put it, the “keeper of the dream.”

Parent oversees all OAP staff and handles the logistics of carrying out the vision of the program, which is: to encourage VCU students and the Richmond community to discover the joys of getting outdoors.

Parent has been recognized as this year’s recipient of the Ralph White River Hero Award, an award given by the Friends of the James River Park to, “acknowledge and honor individuals and organizations that have made significant contributions to James River Park.” The award is given to individuals and organizations who coordinate with Park staff to preserve, educate and promote the park.

“A foundation of all of our trips, and something we try to instill in our trip leaders, is ownership of the places they’re going. These are public places and we have a responsibility to take care of them,” said Parent.

Parent’s leadership in the OAP has made an immense impact on the Richmond community and parks in the surrounding areas. His work encourages students and community members alike to protect and preserve the outdoors here in Virginia and wherever else they may explore.
